**PRAYER GARDEN**

What it means to me.....  
**You don't need a special place to pray. I pray to our Lord every day to thank Him for what He does for me and my loved ones who are with Him. I pray from my home or my backyard. Having a prayer memorial garden is very special. Also, having a brick with the name of a loved one in the garden gives me the opportunity to remember and pray or celebrate special occasions. It also gives me the chance to be remembered by having my name on a brick. One fear of dying, is that I will be forgotten.** *Jim Townsend*
