PANTRY NEWS

Due to the reduction in donations and a depleting inventory, the pantry has made the decision to go to every other week beginning August 19th through the end of September. At that time we will decide if it should be extended to the end of October. Several pantries in our area have been forced to close down completely. We see the need of the people and are very sad to make this decision. We are seeing more and more seniors applying for help. It is difficult for them making decisions as to where to apply their funding. Please keep the pantry in prayer. **To donate to this mission, please indicate on**
