**HANDICAP PARKING**

We have a number of persons in our congregation who have legal handicap parking tags, and quite a few elderly persons who probably should have one. We have six marked handicap parking spaces on the south side of the sanctuary / Hardin Hall and three more behind Hardin Hall on the east side. It has been brought to my attention on numerous occasions that there are people using those spaces who have no need to be doing so. It would be greatly appreciated if you would show respect to those who are less mobile by not parking in those spaces. In the very near future we will be upgrading these spaces with fresh paint and new signs if necessary. Also, please, we ask you not to park in the "first time visitors" spaces or in front of the Hardin Hall doors. Thank you for your courtesy.
